

Medulin Summer Dreams

If you find yourself on the road
Come and visit Medulin
A perfect place for some summer fun

Bring along your dearest one
Friends and family
You'll have the time of your life

The sound of the waves
And the sand under your feet
The night is young
And love is in the air everywhere

We are singing we are dancing
On and on in Medulin
Having fun with everyone
Friends and family

We are singing we are dancing
Salty skin, love within
Don't be shy, now come and join us
Here in Medulin!

When you come to Medulin
One thing is for sure
Friends will be waiting there for you

After such a long time
Everybody's back again
Singing, dancing, smiling all night through

The sound of the waves
And the sand under your feet
The night is young
And love is in the air everywhere

We are singing we are dancing
On and on in Medulin
Having fun with everyone
Friends and family

We are singing we are dancing
Salty skin, love within
Don't be shy, now come and join us
Here in Medulin!
